COVID-19 Considerations

PDE is committed to providing a safe experience at our 25th Anniversary Celebration.

Our event venue adheres to the highest safety standards. We are working closely with them to plan an event that both is celebratory in nature while also providing a safe space for our guests. We will follow local safety considerations and protocols. Part of this effort includes decreasing our dinner tables from tables of 10 to tables of 8 to allow for more social distancing. You can learn more about our venue's enhanced safety protocols [here](#).

Above all, we thank you for your support of PDE as we celebrate our 25th Anniversary.
