

EIC Call Agenda - 1/10

1. Review CCMP-related activities to take place at the 2019 Science & Environmental Summit
2. Discuss/gather feedback on professionally laid out Revised CCMP

Please note the **2019 quarterly meeting dates**, most to be held jointly with the Board using our usual format. We identified these at the December Board meeting with most but not all of you present, so please let us know of any conflicts (and note that the first one is on a FRIDAY.)

- **Feb 22** with Board (**Friday**)
- **May 9** with Board (Thurs)
- Sept TBD with STAC
- **Dec 12** with Board (Thurs)
