4. Capacity for in-person quarterly meetings?

5. Location Discussion

- Questions: What is working or not working? What would you add or change?
Any specific programs or projects you would like to see to help communities?
What can your agency contribute?
- Having opportunities to get out into the watershed and meet community members and learn about the projects they are doing is the most helpful. “Field trips”
- Mini-grant program is a great program to see what sort of projects are needed.

6. Resource Sharing / Other

- Be on the lookout for an official UWFP e-newsletter communication in the coming weeks.

- Please hold JULY 25 at 3-4pm for an Urban Waters hosted by the Coalition for the Delaware River Watershed / PDE

Next meeting: Tuesday July 18, 11-12ET on Zoom
